

Totes of Hope® Partner Renewal Request

PLEASE RETURN THIS FORM BY JUNE 1ST

If your program participated in Totes of Hope in the 2021-2022 school year, please use this form to request your renewal in the program.

Plan to start your Totes distribution back up the first week of school so kids and families can start the new school year off right!

These renewals will be reviewed and approved on a "first come, first served" basis. As you know, we have a limited number of Totes and we prefer to work with partners who will distribute weekly beginning at the start of the school year.

Return this form to mwolcott@wyomingfoodbank.org (email preferred) or by fax 307-472-1869.

Agency # _____ Site Name _____

Please review information in the table below and Check one of the following:

- Information below is correct as listed; no corrections needed.
